

## **ATTENDING HEN EVENTS & GROUPS DURING COVID-19**

HEN events/groups MUST be run in accordance with the current COVID-19 restrictions.

By attending a HEN event/group you agree to comply with the public health advice.

### **At events and groups**

- An attendance record will be kept.
- Hand sanitiser will be supplied. Please practise good hygiene.
- Comply with all public health directives.
- Attendees are fully responsible for themselves and their families.

### **If you subsequently test positive for COVID-19**

- Notify the HEN organiser so they can alert attendees to get tested.

Please remember that events are dependent on compliance with the current health advice and attendees cooperation will make it easier for the organisers who are all volunteers.

By working together, we can all enjoy events through the pandemic.
